1: Dream Catcher classic web with replica arrowhead, bull skull and wall mount (approx 17in.)

1: "The Calling" This exclusive collectible leather dreamcatcher replica features: (approx 17in.)

This impressive mixed-media work of art combines acclaimed artist Chuck Ren's painting "The Calling" on genuine leather within a replica dreamcatcher frame, overflowing with intricate Native American-inspired detailing

"The Calling" - hailed a masterpiece for over 20 years - captures a vision of a lone brave as he beseeches the heavens for guidance and strength

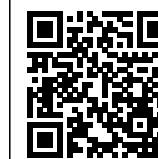

Genuine tanned leather is stretched and hand-tied to the frame with real leather lacing

Leather dreamcatcher replica is handcrafted of artist's resin and hand-painted to create the look of leather-wrapped wood, with carved beadwork and Native American-inspired icons

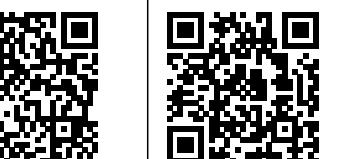

Frame is embellished with real feathers hanging from beaded leather straps, and a replica arrowhead with a symbolic image suspended from its center

Hanging device included for secure and immediate display.

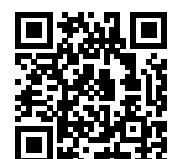

4: Round ceramic tribal wall art that glows in the dark, with mounts (approx 7in each)
