1994 Chevy Silverado 3500 dually
New alternator
New air filter
New upper n lower hoses
New thermostat cover
New distributor kit n wires
body is good just needs a buffing
just installed new carpet
New headliner
Factory seats are almost New
engine needs some work its 454 big block 7.4
Needs new tires.... I have some Dually chrome rims n tires I'll include them with the truck
Also have SS bumper cover for this truck fits all ck body trucks extra.
truck has about 1/4 tank old gas so doesn't run right now but engine turns n has spark. I don't have time to fix it AS IS \$1700 firm.

It hasn't been registered since 2004 has about 2k in back fees... it can be cleared but you'll end up with salvage title.
