Location **Michigan**

I have one room available in a three bedroom one bathroom house. I'm looking for ONE roommate who can pay the posted rent every month with an equal amount up front as a deposit. Utilities included in the price. WiFi is available. Cable not included in rent. Washer/dryer in the basement. Some storage available in the basement. I'm only looking for young adults (under 30). That's just my personal preference, I'm 25 (male) and my other roommate that will be living here is 23 (female). The house is located on 10 mile, east of Campbell, and north of 696. Parking is out front in the street.

Please add my house on facebook (search "RoyalOak HouseRent") and message me about your interest in the room. I will only respond to you on facebook due to the high amounts of spam email with craigslist.

Questions you can answer in your message (because I'll eventually ask):

- why are you moving from your current residence?
- do you smoke?
- how often do you clean?
- what is your sleep and work schedule like?
- what do you do on the weekend?
- do you have any pets? Are you considering getting any?
- what do you do for a living?
- can you put down a deposit of one month's rent?
- how long do you plan on staying?
