I am an investor, not a Real Estate Agent or Realtor.

I buy Houses from people in situations just like yours in almost any area or price range. I work hard to find creative solutions to real estate challenges that others won't. I can close quickly with no hassles or commissions and will handle all the paperwork.

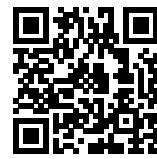

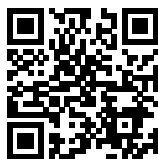

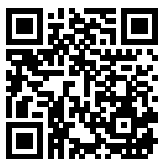

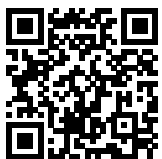

We pay CASH to close quickly. We also purchase properties to rent out.

No matter what your situation, chances are good that it won't change on its own.

Let's find a solution that will work for you. You will be surprised at the options you have.

If you are looking into selling your home then I am the Real Estate professional you want to talk with.
