I'm looking to have 6 yards of loam- good stuff, dark, double screened, no ricks sticks, etc. delivered to my house in Windsor Locks.

Farm loam would be ideal. It needs to be dumped in my backyard but due to an archway over my driveway, large trucks won't have the clearance to get it to the backyard so someone with a pickup truck or trailer or whatever....this is the job for you.

It may require multiple trips if your bed can only fit a small amount. Again just to clarify, I need six yards, not 5 not 4 but 6. Looking for delivered pricing. Want to schedule for early next week and a will he paying cash..
