I'm looking for 2-3 guys to help me with some yard work on my property and possibly at my moms home. As the title states this is physical labor of shoveling/spreading mulch, weeding and planting around my property so please be in good shape and ready to work. Once the work around my place is complete, there may be an additional 2-3 days of works at my mothers home as well. Email/ text me verifying that you're available starting Wednesday for a minimum of 2 days and what experience you may have or why you think you're right for the job. Like I said, if it works well for both of us there will definitely be 2-3 more days leading into next week. Hourly rate of \$12hr. I'll remove the ad once I've hired. Thanks for looking!
