Hello,

We are a group of ghost hunters who produce a paranormal podcast. We are looking to put together a few shows interviewing people who have had paranormal experiences living in haunted homes, owning/working in haunted businesses, and ghost hunters who have had paranormal encounters on investigations.

The intent is to put on a friendly, educational, and engaging show. The purpose of our show is to learn, educate, and help people by having conversations on various paranormal topics. Interviewees will not be paid. This is a mutually beneficial opportunity for anyone interested to promote their group and contribute to our podcast. If you would like to come on our show to share your experiences and/or have clients who you think would be interested in sharing their stories, please send us an email. Clients are more than welcome to remain anonymous if they prefer. You can listen to past episodes and learn more about us at [echopodmedia.com/dead-tribe](http://echopodmedia.com/dead-tribe)
