Walk Door to Door. Make \$9+\*. No Selling. Flexible hours (daylight only)  
 Looking for great people who want to make money today! Or anyone wanting to make a few extra dollars in their spare time... part time... seasonal...

Compensation is based on the completed job, not by time. If you are able to finish in 2.5 hours you get paid the same as if it takes someone else 4 hours. Most can make at least \$9/hr but up to \$12 if you are fast and athletic. Paid as a business check immediately upon job completion.

\*I pay \$30 for every 250 hangers delivered .12cents each. I have had fast, athletic guys who can deliver about 120/hr or more (\$12/hr +) and I've had small, slow females deliver 50/hr (\$5/hr). So I'm not discriminating by age/gender/ect, there are just some people better for a job than others. I want this to work well for both of us.

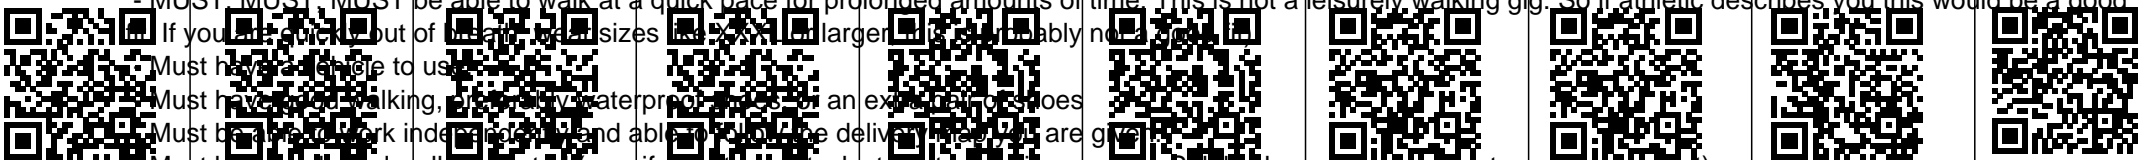

Get Paid to Hang Door Hangers! I have LOTS of work starting this Monday (5/18/15) through the end of the week! Up to 10 days worth of work.

Make up to \$75/day by Walking. This will be available weather permitting - (We can deliver in any weather as long as it's not too windy and the snow isn't too deep). I have people doing this year round. Weather looks like it will be good lots of days, Starting around 11-4 is probably ideal considering it will be the warmest during that time, but if you want to start sooner, you can!

Reputable company will be hanging door hangers around kings island area.  
 \$9 hour, MUST, MUST, MUST be athletic, respectable, have good shoes and a cell phone.

You do not need to sell anything, and may only have occasional short conversations in passing so people know what you are doing. This is not soliciting.

- MUST, MUST, MUST be able to walk at a quick pace for prolonged amounts of time. This is not a leisurely walking gig. So if athletic describes you this would be a good fit. If you are not out of breath and can walk faster than most people, you are a good fit. Sizes are 12-14, larger sizes are available. Must have a cell phone to use. Must have good walking shoes, preferably waterproof, but an extra pair of shoes is fine. Must be able to work independently and able to deliver hangers. Must be friendly and well presented (no wife-beaters or tacky t-shirts or pajama pants. Solid colors preferred, sports apparel is great). Must be 16 years old or older. (If under this age, must be mature and accompanied by someone over 16). This is an opportunity that can be completed in teams if desired. 3-8 hr time blocks available. There will be multiple people doing this, but you will be assigned your own area. 5 hours is what the average person can do well in one day, some have done it all day and made \$75. Faster people can make more. First Day of Delivery. You will sign a liability waiver and receive short on the spot safety/expectations orientation.

Your delivery area will be checked to ensure delivery was complete before you will be paid. So if they do not get delivered, you will NOT get paid. This is a high priority!

FOR MORE information please email: your phone number and full name and why you think you would be good at this. Future opportunities may be available. I'm looking for 2-3 people, so it's likely everyone will not get a response.

You can work only one day or for the whole week. Somewhat flexible if you have another job, but you must tell me up front so I can arrange the schedule. Opportunity for ongoing work if you do well and impress me.

I look forward to hearing from you!

Please email me your full name, phone number, AND why you think you will be a good fit for this!

Thanks! Look forward to hearing from!
