

# house cleaning (richwood exit)

Need to have someone this week for about 6 hours to clean. 10.00 hr. must be drug free smoke free. Must be physically able to stoop, bend, get on knees for floor, and reach high for ceiling fans. Respond to this ad by telling me a little bit about your self and if you have ever cleaned before. This could lead to more work if interested but dependability is a must. Thank
