Small female chihuahua, mostly white with a few brown spots. Around 4-5 lbs. Born Dec. 5, 2014. NO PAPERS.

Good with kids and animals. Will bark at much bigger dogs until she's used to them. She is around a shepherd and a lab now.

Not completely housebroken. Does well if you watch her. Will sleep quietly in her kennel at night. She is on comfortis and heartgard.

Don't contact me unless your ready to adopt her now. I have a family member in the hospital, my son is graduating, and I'm going out of town Wednesday. I don't have time to go back and forth. Email only please. I'll respond as soon as I see it.

\$100 cash, non-negotiable. Paid much.
