Hi ,

I am looking for athletic, lean , musclr , ripped or skinny guys with definition who are very ticklish and willing to be lightly restrained and tickled ... I am eventually looking to start a website based on tickling.. check out tickleabuse.com to get an idea of what I am eventually looking to do.. This job will be a way for me to test out what type of restraints work best... what kinda instruments work best when tickling a guy.. feathers , brushes, fingers etc.... I need a couple or a few cooperative guys to do this on a reg basis until I perfect my technique... This will be an easy gig.. and a good way to make some xtra cash... I am prepared to answer any and all questions you might have... Please send a recent bod pic if you are interested... Please feel free to ask any questions you might have in order to get a comfort level.. I will be generous to the right guy. This will not be taped. No photos. No sex involved. Please feel free to ask any questions you might have. I have done this a few times and has gone well. It could lead to a few sessions if you are looking to make some god money.

Thanks for reading..
