

Sparge amp Stucco Mason Needed (Medford)

Location **Massachusetts**
<https://www.genclassifieds.com/x-442792-z>

Approx 100 sq ft of sparge and stucco needed. Site is ready, there's no prep on your part, just need you, your talented crew and some cement.

Much of the surface is in pretty rough shape as you can see. I estimate three coats at least to get a nice finish. Sponge finish is fine.

Looking for a quality minded crew of 2-3 who likes to do a good job.

You should be insured and can show pictures of your work. When responding:

- Describe your experience and situation
- Send pictures of your relevant work
- Let me know how much you want to do the job
- Let me know when you could start

Thanks for looking,

Justin
