

Lost Dog Found In Manoa (Manoa)

Location

Hawaii

<https://www.genclassifieds.com/x-442819-z>

Lost dog found in Manoa tonight. It came to my home and looks as it may have been lost for at least a few days as it is skinny and thirsty. If you feel that this may be your dog please email me with a description or picture of your dog, sex, and your phone number. The dog is being well taken care of and if it is missed I would like find its rightful owner.
