Aloha, Do you have a loved one you can't see, care for, be near and LOVE. I do but thanks to corrupted CWS/CPS and DHS and POLICE my world been flipped upside down . an organization that was put in place by our Federal Government to help keep families together are literally and deliberately severing the bonds and destroying the FAMILY UNIT. Why??? Because they are sicos who prey on the vulnerable,,the weak,the the ones with no strong family ties here in Hawaii . If you question their misconducts,practices,or just needed an answer or question their investigation process in any manner ..they will and have done ANYTHING and EVERYTHING deliberately possible to discredit you(personally,mentally,and physically). Is it LEGAL?? NO! but its been happening. These AGENCIES BEEN WIPING EACH OTHERS REAR ENDS and PROFITING from it in ONE WAY OR ANOTHER Then to just DO what's RIGHT for the PEOPLE and BY THE PEOPLE. in Our STATE,COMMUNITIES, NEIGHBORHOODS, DISTRICTS. THE GOAL,,,PREY on the disabled,the ones with a legal medical disability(usually a mental one)for a green light to use it against you. Does it matter if you Lovingly care for your children?(NO).Does it matter if you have not hurt /harmed them?(NO!) Does it matter if you have never ever and do not do drugs?(NO) Does it matter if you have not and! are not in trouble with the law?(NO!) Does it matter if you have no family here?(OH YES) NO WITNESSES!,,NO SUPPORT! ,NOT LEGAL??(YES,this is HAWAII. don't you know? They make their OWN LAWS HERE.. (HANAI/GET BY,CORRUPTED BYLAWS HERE. ITS FUNNY how the families t and.hat harmabuse /neglect/do drugs /pop prescriptions /steal /rob /rape/been to jail/sell an d transport drugs for you know WHO'S and have Choke connections /families /pepeecrooks /live well by taking CHILDREN from OTHERS (BEHAVIOUR IS ALLOWED,ACCEPTABLE, and JUSTIFYING. by theLIES,THREATS and DENIAL OF RIGHTS TO HEAR SPEAK OR SEE OF YOU CHILDREN.
