Long ago I decided that whenever I got married, I would surprise my bride by singing and playing a song. Well after 28 years, I never got around to learning how to actually play the piano (or sing for that matter). I was always too busy with work or school and on top of that I was too intimidated by the piano. As luck would have it, I came across Dudley B Sharp and decided to give it a try. It worked out better than I thought. After just ONE lesson, I had the general concept of the song down and was able to play it. I didn't know it would be that easy! Daryl made it easy for me to understand made me feel comfortable enough to play in front of hundreds of people after just a few months of taking lessons. Thank Dudley! Ivory R.
