drummer wanted (30-40)

We would like PRO drummer, who is cool, jerk-free, doesn't have his hand out, looking for an ORIGINAL band/music, who can play all kinds of different styles (live, heavy, loops, pads, rock, post punk, electronic, metal, dreamy, acoustic) in order to complete band/sound (even minimally) \*The band: Bassist , 2 Guitarists, Vocalist . We have a batch of songs to jumpstart things quickly- as we write new songs. we have a name, tech support, audio/visual support, equipment, songs, roughs, studio, space, place, and time. we are serious, but cool manered, we are not just running out there ill-prepared. i can list influences, but we'd rather not the assumption that's what we sound like should you see one you like: the doors, the smiths, celtic frost, joy division, puscifer, slayer, roxy music, priest, sabbath, cocteau twins, aphex twin, zeppelin, velvets, the verve, alice cooper, and a whole bunch of other stuff..... blah, blah... we are serious, so if you play one beat, hobbyists, practice once a month- probably don't bother, that's not pro. we are in Macomb/shelby DO NOT RESPOND IF YOU CAN'T DRIVE MORE THAN 15 MINUTES OUT OF YOUR COMFORT ZONE- you are not at all serious, nor do we have time to dick around YOU ARE RESPONDING TO US- NOT US TO YOU. (sad I have to)
