The University of Michigan Department of Psychiatry is looking for research participants between the ages of 8 and 18 years for a study on pediatric behavioral and emotional disorders. This study involves 2 - 3 separate visits compensating up to \$200 for child/adolescent participants and up to \$20 for the parents of participants.

You may be eligible if you meet the following criteria:

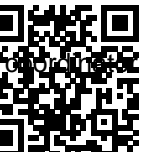

- Between the ages of 8 and 18
- Caucasian
- Have been diagnosed with emotional and/or behavioral issues OR you have NEVER been diagnosed with ANY mental health concern (healthy controls)
- Do not have a substance abuse history
- Do not have a history of epilepsy or a seizure disorder
- Are not currently suicidal
- If you are under the age of 18, you must live with at least one biological parent
- Must have reliable transportation for travel to appointments

If you are eligible, you will participate in a structured interview, a small saliva collection and/or a small blood sample, an EEG recording, and decision-making task testing. A parent is required to participate. We are seeking participants with behavioral/emotional concerns as well as healthy

controls

If you are interested in participating, please contact the study coordinator at study@umich.edu or by calling the toll-free number above.
