The University of Michigan Department of Psychiatry is looking for research participants between the ages of 8 and 18 years for a study on pediatric emotional and behavioral disorders. You may be eligible if you meet the following criteria:

- Between the ages of 8 and 18
- Caucasian
- Have been diagnosed with emotional and/or behavioral issues OR you have NEVER been diagnosed with ANY mental health concern (healthy controls)
- Do not have a substance abuse history
- Do not have a history of epilepsy or a seizure disorder
- Are not currently suicidal
- If you are under the age of 18, you must live with at least one biological parent
- Must have reliable transportation for travel to appointments

If you are eligible to participate you will:

- Complete an initial structured interview
- Provide a small saliva and/or small blood sample
- Complete an EEG recording
- Complete decision-making tasks

This study involves 2 - 3 separate visits compensating up to \$200 for child/adolescent

participants and up to \$200 for parents of participants. A parent/guardian to participate

are seeking participants with emotional/behavioral disorders as well as healthy controls.

If you are interested in participating and have any questions, please contact the study coordinator using the button

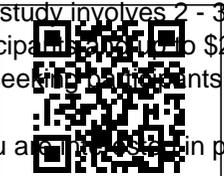

below.

Study Title: Error-Related Brain Activity in Youth -
