

Pediatric Research Opportunity (Ann Arbor)

Location **Michigan** https://www.genclassifieds.com/x-442900-z

The University of Michigan Department of Psychiatry is looking for research participants between the ages of 8 and 18 years for a study on pediatric emotional and behavioral disorders. You may be eligible if you meet the following criteria:

- Between the ages of 8 and 18
- Caucasian
- Have been diagnosed with emotional and/or behavioral issues OR you have NEVER been diagnosed with ANY mental health concern (healthy controls)
- Do not have a substance abuse history
- Do not have a history of epilepsy or a seizure disorder
- Are not currently suicidal
- If you are under the age of 18, you must live with at least one biological parent
- Must have reliable transportation for travel to appointments

If you are eligible to participate you will:

- Complete an initial structured interview
- Provide a small saliva and/or small blood sample
- Complete an EEG recording
- Complete decision-making tasks
