

Pediatric Research Opportunity (Ann Arbor)

Location **Michigan**
<https://www.genclassifieds.com/x-442900-z>

The University of Michigan Department of Psychiatry is looking for research participants between the ages of 8 and 18 years for a study on pediatric emotional and behavioral disorders. You may be eligible if you meet the following criteria:

- Between the ages of 8 and 18
- Caucasian
- Have been diagnosed with emotional and/or behavioral issues OR you have NEVER been diagnosed with ANY mental health concern (healthy controls)
- Do not have a substance abuse history
- Do not have a history of epilepsy or a seizure disorder
- Are not currently suicidal
- If you are under the age of 18, you must live with at least one biological parent
- Must have reliable transportation for travel to appointments

If you are eligible to participate you will:

- Complete an initial structured interview
- Provide a small saliva and/or small blood sample
- Complete an EEG recording
- Complete decision-making tasks

This study involves 2 - 3 separate visits compensating up to \$200 for child/adolescent

participants and up to \$200 for parents of participants. A parent/guardian to participate

is also required. We are seeking participants with emotional/behavioral concerns as well as healthy controls.

If you are interested in participating or have any questions, please contact the study coordinator using the contact button

located below each QR code.

Study Title: Error-Related Brain Activity in Youth -
