Hello.

I am in the middle of finding a place and moving. I need a safe healthy place and someone caring to take care of my Grand baby's kittens until I can get a place they can be at.

They are trained and very sweet and loving.

They are fun to have around, so if you think you would like to have them around for a while please let me know....I DO NOT WANT TO LOSE THEM. If you can please help.

My grand daughter passed and I Have her cats and want totally to keep them. Very precious.

Thank you for considering and reading.
