This historic warehouse renovation offers intimacy in an urban locale. Natural light floods easily over open layouts at the 918 Lofts and highlights the molded concrete pillars that run through the building. Dramatic ceilings, clean design lines and expansive windows provide the perfect setting for urban living and an excellent environment for entertaining guests. Architects have taken special care to allow for internal structural customization by loft owners to create unique layouts. Don't miss this opportunity! This wonderful 1 plus den & 2BA unit has 1300 sq. ft, a very open floor plan, and large windows that let in TONS of natural light. This is truly a unique unit that you have to see!
