Lost: Samsung Galaxy SIII in a black rubbery case.
Last Seen: Behind Armory (191 Highland Ave, Somerville)
\$100 cash reward, no questions asked.

This is a long shot, but I accidentally my Samsung Galaxy III yesterday around 2 PM on the strip of grass behind the Armory in Somerville (Hudson street). When I went back for it at 2:15 it was gone. Whomever found it called and asked me to call the phone to find it, but never answered. It's now out of batteries.

If anyone has any info, please let me.
