Location **Massachusetts**
<https://www.genclassifieds.com/x-442951-z>

Hi:

The cost of hosting an AuPair is \$360 per week plus room and boarding in exchange to flexible child care (45hrs per week).

We have a broad selection of well qualified candidates from 22 countries for you to choose from.

I'm a local coordinator for Cultural care. I can answer any questions you may have and I can put you in touch with other host families in your area.

I look forward to hear from you.

Thanks, Jaci
