Hello-
 I have 1 open spot for childcare in our home. I can provide flexible hours for your demanding work schedule. Our home is brand new, has a dedicated play room, it's set back off of a quiet street for lots of safe outdoor play. We are minutes away from Route 3, and the T located in the Weymouth Landing. I am pediatric CPR, First Aid, and AED certified by the American Red Cross. We have lots of fun, read tons of books, sing songs, and learn and grow with each other.

Contact me for rates, and interview.
