2004 Jeep Wrangler 4 cyl 5 speed manual. With a new professional paint job. Very nice looks new. Runs great has a soft top only. Have extra rims and a cb that can go with it. Gets good mileage if driving it nicely. Interior is in good shape, has a nice sound system with newer deck. Has step bars or nerf bars. Ac and heat both work fine

That's it.... It's a nice jeep call or text 402 309 9742 9500
