Up for sale is a 1987 Chaparral Villian III. It is 23 ft with a Mercruiser 454 engine (alpha one drive), a small cuddy, and is truly a pleasure to drive. The custom tandem axle trailer is a easy loader with side steps. The entire set up is water ready. This is a ton of boat for the money- do not miss out as it will not last long. This is a no nonsense or surprises sale. If you have any questions or would like to see the item in person please call Darrell I will consider trades for a nice Chevrolet truck.

Installed this year: carburetor, plugs, wires, oil/filter change, bilge.
