If you are looking for a Church family we would love for you to check us out. We just launched in March and have a small but great group of people. We have a talented worship team, child care, and we will be adding new ministries soon. You can learn more about us at www.freedomcenterbp.org or facebook.com/freedomcenterbp. You could also just stop in Sunday at 11am to see first hand what we are all about. We are currently on a series titled What if Jesus was your.
