

Local band seeking management

Location **Minnesota**
<https://www.genclassifieds.com/x-443177-z>

Local rock band looking for management. We have the talent, stage presence, and style to go somewhere, but lack the venue connections and know how In the business. We were hoping to cut this person 25% of our take, merch sales to be determined. Of course goes without saying experience preferred , but we are open to anyone who wants the task !

This person will be responsible for :

Finding and booking shows
helping with promotion
If there are advanced ticket sales involved you will be expected to help with that.
Represent us be our voice to any venue promoter etc..

Hit us up and if we seem a good fit, we will invite you to come to a show or practice!
