

Earn 15hr to test Remote Control Planes (Honolulu)

Location **Hawaii**
<https://www.genclassifieds.com/x-443240-z>

We are a remote sensing startup looking to hire a part-time field operator (no prior experience necessary) in the Honolulu Area to help with test flights for our Unmanned Aerial Vehicles. Frequent testing is required to maintain and improve flight hardware and software, thus we are seeking someone who is available during daylight hours on weekdays to help run these flights.

Requirements:

- available 5 -- 7 days a week, 10:00 AM -- 3:00 PM
- must have a car and be able to drive to various test flight locations in the area
- willingness be outside, learn UAV flight procedures

If interested in this opportunity, please fill out this short questionnaire:
