

PC Repair Custom PC builds Arcas Computers (New Orleans)

Location **Louisiana**
<https://www.genclassifieds.com/x-443279-z>

Arcas Tec is a company focused on manufacturing custom built computers. Such as high end gaming systems, laptop top workstations, desktop power houses, and multi terminal servers that can support up to 20 users.

For residence local to New Orleans we do offer Computer repair.

We also cater to same businesses and companies in the New Orleans area. If your business cant afford to have a full-time computer technician Arcas Tec might be just right for you. We offer services for a low monthly fee depending on the amount of computers and what is needed. Just call us up and we will come out and give you an estimate.

Only 50\$ for repairs and additional charges for any parts needed

We fix it all. The majority of our staff are perusing I.T. majors.
