

NEW ADULT CLUB OPENING (MUNCIE)

Location **Indiana**
<https://www.genclassifieds.com/x-443316-z>

We are remodeling and rebranding an established Gentleman's Club with a opening date in July.

This club will have NEW ownership and NEW management.

We are looking for a SELECT number of entertainers as well as all other staff positions.

No drama, No drugs, No prostitution, No drunks or Divas needed.

This club functioned as a family club for almost 30 years and is not going to be a "crystal palace" type of club, think of it as "Cheers" with adult entertainment.

It's in Muncie, Indiana which is a blue collar town as well as home for BSU so a "5 Star" club would be out of place.

We will be looking for experienced entertainers as well as girls that are new and need training.

We will have Featured Entertainers monthly and sprinkle in a male review on occasion.

We will also be having contests that will bring in Features from all over the country to compete for Titles, cash and National coverage.

In each contest their will be an "Amateur" division for house girls and the champion will have the option of starting off a Featuring career (if she wants to pursue it).

If you are interested, please shoot me a.
