This is an opportunity to create your own little niche working with Golf Courses.

I'm Brian Patten, Midwest manager for "Hole In One Challenge". We are setting up Golf Courses around the Indianapolis area to run "Hole in One Contests". We need Hole Monitors to work directly on the tee box of a golf hole selling tickets to golfers for a chance to win a variety of prizes. A portion of the proceeds benefit Riley's Childrens Hospital.

You can earn between $70 to $150 per 5 to 6 hour shift. A very fun experience! You are paid daily. This is primarily a weekend job, You must have dependable transportation and be personable. You are dealing face to face with golfers.

Visit www.holeinonechallenge.com for information about our company. If interested send your qualifications and a picture and tell me a little bit about.
