

Real estate mentoring

Location **Indiana**
<https://www.genclassifieds.com/x-443324-z>

Learn about real estate from a seasoned investor. \$1500 upfront commitment to ensure that candidates are genuinely interested and will not waste my time. I will mentor you for a period of 3 months and help you close as many deals as possible during that time frame. The profit on closed deals will be based on a sliding schedule and ultimately result in a 50/50 split.

Leave me an email if interested and I will follow.
