Pretty girls Zoe and Phoebe have been through a lot! They were dumped at animal control by their owner along with four other cats and kittens. Zoe and Phoebe were almost euthanized, but we were able to rescue them from animal control. Now that they are safe, they have turned into just amazing kitties. Zoe is an awesome little kitten! She is about eight months old and very petite. She loves coming up to you for pets and will sit in your lap while you work or sleep on you. She is incredibly sweet and gentle. Phoebe, her big sister, is equally delightful. She loves attention from people and snuggling with her little sister Zoe. She also has the most amazing gold eyes!

Zoe and Phoebe are spayed, current on vaccines, virus tested negative, dewormed, microchipped, and have received wellness exams. Their adoption fee as a pair is \$180.

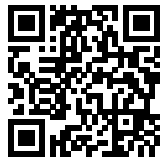

We are a non-profit animal rescue organization. Please feel free to check out our Facebook page to learn more about us: <https://www.facebook.com>
