Momma Do-Si-Do and her three adorable kittens, Samoa, Tagalong, and Thin Mint, were recently rescued from animal control after being brought in as strays. This adorable family is as sweet as can be. Do-Si-Do is a great momma who takes excellent care of her three kittens. They are going to be getting a new family member too, an orphan kitten named Zamboni.

Samoa is a calico tabby mix, Tagalong is tabby and white male (white on his face and a pink and black nose), and Thin Mint is tabby and white (all black nose). The kittens are extremely playful, friendly, and well-socialized. They would best be adopted in pairs, but minimally must be adopted into a home with another young and playful cat at home (no exceptions as it is in their best interest behaviorally and socially).

The family is about two weeks away from being able to go to forever homes, but is available for preadoption now.

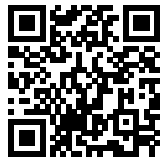

The adoption fee of \$200 as a pair includes spay/ neuter, Felv/ FIV testing (negative), age-appropriate vaccines, routine deworming, microchip with lifetime registration, and general wellness exams. Mom's adoption fee is \$95 or \$180 total if paired with one of her kittens.

This's family is available through a licensed, 501c3 tax exempt not for profit. Please email for an adoption application of interested. They are currently living in foster care (we don't have a facility to).
