I'm selling my 2008 Macbook so that I can use the funds towards a desktop. This was purchased in 2008 from an authorized Apple store for over \$1,600. I still have all the original paperwork, discs, charger, Microsoft office suite with multiple product keys and receipt. Comes with an extra battery as well! 500GB, 2.4GHz, 4GB RAM. Asking \$280.
