Mud-?? Is special & if get to buy next year would take back. Having no luck finding nice rental that take large dogs. He is 55 lbs by last Vet shot visit. Has all boarding shots, heart worm preventative, & fixed. Very clean. Doesn't chew bad w/ bones. And I pen or put in kitchen gated at nite. Potty trained. He roams some but never leaves yard. Very shy at first but sweet awesome dog. Only one year old. Loved the water & mud. Not leashed trained. Needs harness to try. Very clean & will not go potty inside. &;
