Pro drummer seeks musicians/bands playing originals in the progressive hard rock/metal genre, ie; Dream theater, Scale The Summit, Opeth, you get the idea. I have my own playing style in the progressive hard rock/metal genres as mentioned (40 years of experience), so I do not want to copy or play your ex- drummers style or playing. You will not be disappointed in my playing. You can go to my www.bandmix.com site (John Gibbs, Ocean Springs, Ms.) to see/hear what you need. Please, only serious inquires only. Thanks,
John.....
