

Breast pump (90 USD)

Location **Indiana**
<https://www.genclassifieds.com/x-443421-z>

I have a Medela breast pump that's only been used once. I just had a baby but I'm selling it cause breast feeding is not for me. Everything is cleaned or unused. It came with a lot of things to be convenient for mother and baby. There's also an unopened hand pump that came with it. Serious inquires.
