I am looking to sell my silverwing. Ran and rode it last summer. 550cc watercooled engine. it will need work to be back in running shape. it will need a new master cylinder or screws as they were rusted and had to be tapped out. needs a battery the one i have is dead. It fell over in the garage denting the tank and causing fuel damage to the paint. seat has a tear in it. I will have odo when I get home. has a clean
