Are you (or someone you know) overwhelmed by an unusual or strange obsession, addiction or habit?

Could this quirky behavior be affecting your relationships with loved ones? Or maybe it consumes your time, energy or finances?

A major cable network is looking for men and women looking to break free of an unusual obsession or behavior and the friends or family who are ready to support them.

If you're ready to:

- trade in your extreme health fads for safer alternatives
- finally give up that food you've been addicted to for years
- learn to dress your age and get the career or relationship you deserve
- unplug from your cell phone and stop taking selfies
- change the way you approach dating/relationships
- break up with your plastic surgeon and love the skin you're in
- give up any other unusual or extreme behavior that is shocking to others and ruling your life

We want to hear from you!

Please reply to this post with your name, age, location, contact info and a description of your unusual habit.
