

2002 xterra great condition trade for boat (6500 USD)

Location

Idaho

<https://www.genclassifieds.com/x-443486-z>

I will trade my 2002 Nissan Xterra with 153,000 miles literally perfect condition. For a great boat. I prefer a aluminum fishing boat one that has a good size engine on it no cheap little 14 foot aluminum boats I want a decent one. His car is worth seven grand I would be looking for the equivalent boat value. If interested email me photos. Otherwise I'll sell it for\$\$
