I bought a new (to me) 1995 f-150 and the previous owner had just put this Ranch Hand brand, Legend series, front bumper on as of late February 2015.

Per him, he spend \$1700 to purchase and have it installed. After shopping around online, it goes for \$1300-1500 (See amazon: <http://www.amazon.com/Ranch-Hand-FBF921BLR-Legend-F-Series/dp/B008I26S5I> ).

I'm putting the stock bumper back on and would like to sell this for \$1,100.

It will fit:

1992 1993 1994 1995 1996 Bronco F150 F250 and F350

It could probably be modified to fit many other applications.

It comes with holes for fog light mounting and a 2" front facing hitch, and is overall a very nice looking bumper/guard.

Willing to meet halfway for just about anyone, or deliver for a reasonable fee. But it will take multiple people to unload. Myself and the bumper are in Las Vegas, Nevada, if you prefer we can arrange shipping.
