Minimum sum to pay out is \$500.

How to get more profit?
Use affiliate program in our project. Spread your affiliate link in Facebook and get \$15 for every involved partner and get 20% from his everyday earnings. Be active, spread your link, involve new users – you can get much more than \$1500 a week!

What does «Affiliate program» mean?
Spread your affiliate link in Facebook and get more earnings!
You get:
- \$15 for every involved partner;
- 20% from your partner's everyday earnings.

What am I paid for?
Advertising companies want to know people's opinion about their products and have current statistics regularly. So they pay us to create surveys and we pay you to do them. They get your opinion and you get money.

Follow that link and set up an account. Take surveys and get paid!!

It's not a scam... I just graduated from MSU and needed some extra cash (hailstate!). A girl told me about this and how much she made a week.

You can take up to 3 short surveys per day and get paid \$14 each -- \$42 per day times that by 7 days and you get just under \$300 per week.

If you invite more people, you can earn more.
