Looking for a sexy, naked maid service in Biloxi. Light cleaning only. Short skirt, skimpy top, no panties and a lot of bending over would be great! Please reply with rates, pics and any questions you may have.

Must also be able to hold a decent and intelligent conversation, be easy going and open, and smile a lot. It's not all about the cleaning....interesting conversation and teasing/flirting goes a long way!

Thanks and looking forward to hearing from you! I usually get home from work around 5PM or 6PM, so you can look for a response to your email at that time.

No scammers or "working girls" please. Put "Clean As A Whistle" in the email subject line when responding so I know you are for real.
