Hi there! I am a stay at home mom to a 4 month old little girl. I am looking to start watching 3-5 kids in my home, starting mid/late June or early July. Start is flexible. I want to keep the ratio small so I can give your kids the attention they deserve! I have about 8 years of paid childcare experience. I have worked in daycares, nurseries, as a nanny, babysitter and tutor. I have experience with children of all ages. I am CPR certified. I have a nice fenced in back yard and a park not too far away. Pricing is negotiable, it will depend on how many children and if you're looking for part time or full time care. I'm not looking to make a living off of this or off of you. I'm doing it because I truly love working with children. Please feel free to contact me with any questions or!
