

Study survey about your recent health care experience (indianapolis)

Location **Indiana**
<https://www.genclassifieds.com/x-443619-z>

Have you received, or attempted to receive pregnancy-related/reproductive healthcare at a local hospital in the past five years? We are interviewing women in your community about their positive or negative experiences. We would love to speak with you!

Do you qualify?

- You are 18-48 years old
- You have received or tried to receive reproductive/pregnancy-related healthcare in your local area in the last 5 years
- This includes tubal ligation, miscarriage treatment, testing for fetal problems, abortion, hysterectomy, fertility treatment, contraception or related care

If you choose to participate, please use the following link to complete the survey to see if you qualify:
