I can help! I have over 20+ years' word processing, writing, and editing experience. I have held jobs as a senior word processing specialist, peer consultant for two university writing labs, staff writer for a college newspaper, and numerous administrative/clerical positions which required excellent knowledge of the English language to include punctuation, spelling, and grammar.

I have a Bachelor of Arts in English, with a writing emphasis, and a minor in Publishing Arts.

If you're interested, contact me for a free consultation.
