People move and do not receive bills, payments are mailed to creditors and because of holiday mail or mistakes by the postal carrier, the payments are received/delivered/conveyed late. The late payments, although not the error of the consumer ultimately end up as a detrimental item on their credit reports. Late payments cause huge increases interest rates. Recognize your rights as a consumer and learn how to halt the credit card companies from profiting on your misfortunes.

We do not make excuses for creditors or collectors that take advantage of Americans. We stand up for the rights of our customers, while educating them in ways to inhibit similar circumstances in the future and enabling them to gain control of their financial.
